MEMORANDUM FOR THE ASSISTANT SECRETARY OF DEFENSE
(INSTALLATIONS AND LOGISTICS)

SUBJECT: Realignment FY 1971 Military Construction - Navy

In response to your memorandum of January 5, 1970, which proposed a realignment to the FY 1971 Military Construction Program, the proposed changes are approved for incorporation in the FY 1971 Program with the exceptions set forth in Attachment No. 1 and the proposed construction for Project "Reindeer".

In the case of Project "Reindeer," approval is withheld at this time to afford the Navy the opportunity to re-examine the project to assure that it will comply with the Secretary of Defense expressed desire that the project support only communications with everything else subsidiary. It is desired that the Navy inform this office of the re-examination, or Project "Reindeer" by January 31, 1971.
